

Professionalism in Action Grants

The ABIM Foundation is now accepting applications for a new grant program designed to support projects that leverage medical professionalism to address pressing challenges facing health care today.

At a time when health care institutions face increasing pressures – from financial pressures to clinician burnout to rapid technological change – the **Professionalism in Action** grant program invites innovative ideas that **strengthen trust between clinicians, patients, and the systems that serve them.**

- Three to five grants of **\$50,000-\$100,000** will be awarded.
- Open to applications from a **wide variety of project leaders**, including: *individual clinicians, clinical teams, educators, hospital and health system leaders, researchers, and patient groups.*
- Two optional **informational sessions** will be held on **April 2** from **1:00-2:00PM ET** and **April 21** from **2:00-3:00PM ET** to answer any questions.
